

Sarah Clausen

Sarah is the current Near Peer College Mentor at Sandpoint High School. She was born in Seattle and graduated from University of Idaho three years ago with a Bachelors in Business Marketing. She previously worked with an organization called Cru for two years at University of Idaho before getting married and moving to Sandpoint. This is her second year at Sandpoint High School.

Laura Anderson

Laura has an undergrad degree from the University of Northern Colorado in Health & Biology; Masters Degree in Education from the University of Idaho with an endorsement in counseling & human services. She has been a counselor at Bonners Ferry High School for 18 years.

Laura also has resided in Bonners Ferry for 35 years with my husband of 40 years. We have two married daughters with one granddaughter. Laura can be reached at laura.anderson@mail.bcsd101.com for further questions.

Linda McLeish

Linda McLeish is a mother of seven, and has homeschooled three of her own children for two years. She holds a bachelors degree in education from the University of Idaho with a certification in Physical Education and Health. She taught PE and health at Bonners Ferry High for four years and has currently been working as an Assistant to the Counselor at Bonners Ferry High School, specifically supporting the Senior Project, College Entrance Exams, Online Classes, and Advanced Opportunities.

As this is her ninth year working in education, her future goal is to become a guidance counselor. Her passion lies in guiding and supporting positive life choices for the rising generation. "I love to celebrate the strengths of each student and show them how their talents are needed in the workforce and the world."
